Odyssey 12

Cookie Policy

This Cookie Policy (hereinafter referred to as the Policy) defines the procedure and conditions for the use by the Joint Stock Company SMP Odyssey 12 (hereinafter referred to as JSC SMP Odyssey 12, we) of users' cookies during their visit and use of the site https: // www.odyssey12.com (hereinafter referred to as the Website).

1. What are cookies and what are they used for by JSC "SMP Odyssey 12"

Cookies are small pieces of data with service information about a visit to the Website that the server sends to your device. Cookies remember information about your preferences, allow you to view the websites you visit for a certain period in a more convenient way for you. For example, thanks to cookies, the Website prompts you to view information in the language you usually use.

2. JSC "SMP Odyssey 12" uses the following cookies:

(i) Technical cookies, which are necessary for the Website to function properly and to provide the full functionality of the services. They are automatically installed and provide the ability to authenticate, then authorize users, and secure credentials.

(ii) Analytics and marketing cookies that allow you to:

to recognize users, count their number and collect information, for example, about the operations performed, the websites visited, from which websites they go to this Website and which websites they go to after visiting this Website;

identify your hardware or software, such as browser type or device;

ensure the relevance of advertising, improve the effectiveness of advertising campaigns.

Some of these cookies are associated with services provided by third parties in connection with your visit to the Website. Also, these cookies can be associated with social networks (for example, with Facebook) or provide advertising agencies with information about your visit so that advertising agencies can offer you advertisements for goods and services that are potentially of interest to you.

(iii) Other cookies serve different service functions and make it easier to use the Website and services. These cookies help the Website remember what you choose (such as your username, language, or region in which you live) and offer you enhanced and more personalized Website features.

3. How long cookies are stored on your device

There are the following types of cookies: (i) persistent, which are stored on your device for a certain period, and (ii) session cookies, which are stored only during the period of your use of the Website. Session cookies are deleted when you close your web browser.

Persistent cookies are used to store your personal preferences, as well as information about what you choose when using the Website. SMP Odyssey 12 JSC uses persistent cookies to improve your navigation on the Website based on your previous visits to the Website.

Session cookies are used to ensure your login to the registered user portal and to store information associated with your account.

4. Cookie management

Most browsers automatically accept cookies. You can delete stored cookies on your device at any time. How to do this can be found in the instructions for use of your browser or manufacturer's device.

In the browser settings, you can also prohibit any cookies or only certain ones. For more information on cookie settings, see the Help section of your browser.

Please note that by disabling cookies, you will not be able to use some of the functions, services, tools and applications of our Website, and in this case, JSC "SMP Odyssey 12" does not guarantee access to all services offered on the Website, and the correctness of the Website.
